Career Objective:

- Motivated professional with extensive post graduate-level education.
- Having Seventeen years of energetic and dynamic teaching experience in reputed organizations.
- Quickly establish strong relationships with parents and students.
- A friendly competent and hardworking employee with lots of research experience in various fields
Provide motivational learning environment.
- Result-oriented individual with expertise in career development, higher-educationØ strategy and human resource development Growth driven accepts responsibilities and leverage existing higher education.

Academic Profile:

PhD in Computer Science & Engineering from Jawaharlal Nehru Technological University Anantapur in 2024

(Title: “TEXT DOCUMENT CLUSTERING USING CENTROID AND NEIGHBORHOOD APPROACHES”)

M.Tech in Computer Science & Engineering from NATIONAL INSTITUTE OF TECHNOLOGY, WARANGAL, in 2008

B.Tech in Computer Science & Engineering from Sai Spurthi Institute of Technology, Affiliated to JNT University, in 2005.

Intermediate: (M.P.C) from Pragathi Junior College, Khammam in 2001.

S.S.C from ZPPS Thanikella Khammam in 1998.

PERSONAL SKILLS:

- Good logical thinking to solve problems.
- Possess excellent Analytical, Communication, and Interpersonal Skills.
- Can carry out tasks with attention to every aspect and being industrious and punctual.

Experience: 18+

Working as an Associate professor in CSE Dept in **Sreenidhi Institute of Engineering and Technology** Hyderabad (**AUTONOMOUS**). from January 12th 2023 to Till Date.

Worked as a Assistant professor in Netaji Institute of Engineering Technology Toopranpet, chotuppal Near Ramoji Film City 1st July-2013 to January 10 2023

Worked as a Assistant professor in **Noble College of Engineering and Technology for Women Nadargul Hyderabad** from June 5th 2009 to June 30 2013

Worked as a Assistant professor in **Vijaya Engineering College** as an Assistant professor in IT department, Ammapalem ,Khammam from June 2008 to May 2009

JNTU RATIFIED:

- Selection Committee Meeting held on **07-02-2017 JNTUH, Hyderabad**-Appointment of Teaching Staff as an **Asst. Professor** in Netaji Institute of Engineering Technology Toopranpet, chotuppal Near Ramoji Film City

- Work shop for 6 days on “Embedded Systems” in Warangal.2008
- Work shop for 3 days on “Teaching Learning Methodologies” in Vijaya Engineering College Khammam

PATENT PUBLICATION:

Title of the Patent: - Artificial Intelligent Framework System for Smart City Prediction using Big data Analytics, Date of filing of Application: 01/03/2022, Publication Date: 11/03/2022, Application No. 202241011082.

Conference /Workshops / seminar Attended

- **International Conference on Data, Energy and Communication Networks (DECoN) IEEE** Conference held on 12-13 Dec. 2025
- National Conference on “National Conference on Innovation in Communication and Computing Network-2024” held on 19th & 20th April 2024, at SNIST, Hyderabad.
- National Conference on “International Conference on Emerging Trends and Technologies -2024” held on 8th & 9th November 2024.

Faculty development program

- One week Faculty Development Programme on **BigData-Hadoop Eco Systems** held on 27th to 31th May 2020, CMRIT, Hyderabad
- One week Faculty Development Programme on **Basics of R Programming** held on April 29, 2020 to May 03, 2020, Rajiv Gandhi University, Arunachal Pradesh in association with IIT Bombay.
- One week Faculty Development Programme on **Open Source Technologies** held on 24th to 28th April 2023, Association with NITTTRC in SNIST, Hyderabad

- One week Faculty Development Programme on **Data Visualization using Tableau** held on 24th to 28th July 2023, MLRIT, Hyderabad
- One week Faculty Development Programme on **Protection from Cyber Attacks** held on 7th to 11th August 2023, Association with NITTTRC in SNIST, Hyderabad
- One week Faculty Development Programme on **Innovative Teaching Learning Methodologies** held on 25th to 30th September 2023, SNIST, Hyderabad.
- One week Faculty Development Programme on **IoT and its Applications** held on 6th to 10th November 2023, Association with NITTTRC in SNIST, Hyderabad
- One week Faculty Development Programme on **Data Science using Python** held on 19th to 23th February 2024, Association with NITTTRC in SNIST, Hyderabad
- One week Faculty Development Programme on **Deep Learning for Engineering Applications** held on 2nd to 9th September 2024, Association with NITTTRC in SNIST, Hyderabad
- One week Faculty Development Programme on **Cryptography and Network Security** held on 16th to 20th September 2024, Association with NITTTRC in SNIST, Hyderabad
- One week Faculty Development Programme on **Data Analysis of Cyber Attacks through ML and Deep Learning** held on 25th to 29th November 2024, Association with NITTTRC in SNIST, Hyderabad

Achievements:

- **GATE percentile 96 in year of 2006 all India 750 rank**
- **FET Qualified in 2010**
- **TS SET Qualified in 2016**
- Participated in Quiz competitions in Inter-school competitions
- Organized various technical festivals in our college.

Project Guide for B.Tech & M.Tech:

- B.Tech - 50
- M.Tech - 20

Subjects Handled for B.Tech & M.Tech:

- Computer Programming
- Data Structures using C
- Object Oriented Analysis & Design
- Advance data structure
- Design Analysis and Algorithms
- Software Automation Testing

Additional Responsibilities

- In-charge M.Tech Course, Noble Engineering College.

- Actively participated in Department Administrator work
- Actively participated in NBA Accreditation work.
- Actively participated in NAAC work.
- Attended most of the HOD's meeting and taken up the responsibilities and finished the various tasks allotted by the higher authorities.
- Meet many poor students and counseling with their parents.
- Maintain the students discipline within department and college campus
- Academic Results of above 90% has been produced for every semester.
- Participated in Several College and University Level Examination performed duties as External, Observer, for Paper Evaluation...and etc.

Academic Achievements:

- Students Secured 100% Result in Python Programming and Object Oriented Analysis and Design
